*An amazing online immersive
learning experience
for teenagers to enjoy together!*

Lessons

Students will enjoy interactive communication-based activities, studying and speaking English in small multilingual groups.

We use authentic, engaging materials including video clips, songs, blog posts and language games plus our digital course book.

Throughout the course students are encouraged to share their ideas and culture through group tasks, pair work and fun, creative projects.

Teachers

All of our highly experienced, enthusiastic teachers have a CELTA or DELTA qualification and are native English speakers.

They have taught in countries all over the world and love helping students to gain confidence and reach their goals. They can't wait to meet you!

Book online via our website:
www.brighterenglish.com

Classes

Our online language school is specifically designed for teenagers aged 14-17.

All students take an online level test before starting the course to determine which class they will join.

Classes are kept deliberately small (maximum of 8 students) to allow lots of personal attention from our experienced teachers.

By the end of the course your child will:

- ✓ Increase their confidence in speaking and listening
- ✓ Improve their English grammar, vocabulary and pronunciation
- ✓ Make new friends from around the world
- ✓ Learn about other nationalities and cultures
- ✓ Have fun!

OUTSIDE THE CLASSROOM

We always encourage students to continue their learning outside of class time. In addition to homework tasks, we also provide opportunities for students to:

- continue chatting in English with other students in our closed Facebook group
- participate in fun weekly challenges
- develop their project work at home

WELFARE

We provide the best care that we can for our students. Brighter English takes Child Protection very seriously – all of our teachers are DBS checked and have safeguarding training.

We ask all parents to complete a consent form before any students under the age of 18 can begin their course with us.

Please contact us for a copy of our Safeguarding Policy.

TECHNICAL REQUIREMENTS

Study from the safety of your own home! We are a 100% online school so all you need to learn with us is:

- Computer or laptop with webcam
- Good internet connection
- Headphones
- A quiet place to study
